International Math Challenge (IMC) 2025-26

The **International Math Challenge (IMC) 2025-26**, the world's first AI-powered mathematics competition developed by a team of IIT Bombay alumni. This innovative challenge combines rigorous mathematical concepts with interactive, game-based learning to foster genuine enthusiasm & love for mathematics among students. The IMC 2025-26 stands apart from traditional mathematics competitions by focusing on building critical thinking skills through five themed challenges:

1. Mental Mathematics
2. Patterns, Logic & Puzzles

What makes this opportunity especially attractive for schools: **Completely FREE participation for Grades 3 to 10 Flexible scheduling** - schools select preferred weekends for each challenge, Challenge schedule and format

- Each challenge will be conducted online only on Saturdays and Sundays
- Schools can select their preferred weeks for each challenge, from now till January 2026
- Students can participate from home at their own pace
- All challenges will be **FREE** to participate in.

What is IMC 2025-26?

- World's first AI-powered math competition using MathAI coach crafted by a team of IIT Bombay alumni
- An interactive, game-based approach to build lasting enthusiasm for mathematics.

Participation Criteria

- Open to students who are/were in grades 3rd to 10th in the 2025-26 academic year All challenges are **FREE** to participate in
- Accessible online only.

With warm regards,

MRS. ASHU RANA
