Immersive Mobile Planetarium Dome Show for G1 to G8 students

Dear Parents/Guardians,

Greetings of the day!

We are excited to share that Infovista Dome, a state-of-the-art Mobile Planetarium Dome Show, will be organised our school campus on 13,14 & 15th October 2025.

This innovative dome offers students an unparalleled, immersive, and interactive learning experience in astronomy and space science.

To make this enriching experience possible for your child, we kindly request you to send INR 60/- with your ward by 7th October 2025, Wednesday.

This is a wonderful opportunity for students to visualize and understand complex astronomical concepts in a thrilling and memorable way. We are confident it will spark their curiosity and inspire a love for science.

Thank you for your continued support in making learning a vibrant and exciting adventure for our students.

Warm regards,

DPVN
