Since its inception in 2018, D Y Patil's DPVN, Navi Mumbai, has experienced exponential growth achieving significant milestones. The current academic year so far also has been a standout success for DPVN, marked by academic excellence, athletic triumphs, and extracurricular achievements. With some goals achieved and others on the horizon, we're buzzing with energy to take it to the next level.

The session got a stellar start with our praiseworthy academic performance in the 2024 CBSE Board Examinations by the Grade 10 and 12 learners. 100% result in Grade 10 and outstanding performance of Grade 12 learners are among the most distinguished accomplishments. Similarly, in Grade 12, the toppers of our school made us proud by securing 95.4% in Science stream, 88% in Commerce stream and 85.2% in Humanities stream.

As a recognition of their dedication and hard work, from this year we have taken the initiative of felicitating the subject toppers also.
